

ABIGAEL K. KIRIMI

IT Support Specialist | Junior Backend Developer
Nairobi, Kenya • +254 741 232 939 • kirimiabigael@gmail.com

PROFESSIONAL SUMMARY

Results-driven IT Support Specialist and Software Developer with hands-on experience providing first-line technical support and resolving hardware, software, and network issues. Proven track record managing high-volume support queues, reducing system downtime, and deploying workstations at scale. Skilled in ticket management, SLA compliance, remote troubleshooting, and IT documentation.

TECHNICAL SKILLS

Languages & Dev:	.NET • PHP • Python • SQL • HTML/CSS • REST APIs • Javascript
IT Support:	First-Line & Desktop Support • Hardware/Software Troubleshooting • Remote Support • Help Desk • SLA Management • Incident Escalation
Networking:	LAN/WAN Diagnostics • Network Connectivity • TCP/IP • Wi-Fi Configuration
Systems & Tools:	Windows OS • System Administration • IT Documentation • Asset Management • Data Backup & Recovery

PROFESSIONAL EXPERIENCE

Technical Support Attachee | The Nairobi Hospital | July 2025 – Aug 2025

- Provided first-line technical support for 4+ ICT incidents daily involving computers, printers, and medical equipment, maintaining 95%+ uptime for critical hospital operations.
- Configured and deployed hospital-approved applications and peripherals; monitored LAN/WAN connectivity and proactively resolved network stability issues.
- Delivered end-user training that reduced repeat service call-outs by an estimated 20%; performed weekly system backups safeguarding critical patient data.

Technical Support Intern | Suetech Business Systems Ltd | May 2024 – Aug 2024

- Handled 20+ hardware and software incidents per week as primary first-line contact, consistently meeting SLA targets with an average first-response time of ~120 seconds.
- Configured and deployed 10+ workstations and peripheral devices, streamlining employee onboarding and reducing per-unit setup time.
- Escalated unresolved ICT incidents with clear documentation; implemented software updates and security patches across multiple systems.
- Maintained accurate IT asset inventory and support documentation, improving equipment tracking accuracy and knowledge-base accessibility.

EDUCATION

BSc Computer Science | Catholic University of Eastern Africa (CUEA), Nairobi | Expected 2026

Kenya Certificate of Secondary Education (KCSE) | The Kenya High School | 2022

KEY ACHIEVEMENTS

- Maintained sub-120-second average first-response time for IT support tickets at Suetech — exceeding industry help desk benchmarks.
- Single-handedly deployed 10+ workstations during intern tenure, accelerating team onboarding velocity.
- Supported uninterrupted hospital ICT operations at The Nairobi Hospital, handling medical-grade equipment in a high-stakes environment.
